

General Purpose

The purpose of CBMC Peer Advisory Groups is to help a business leader become the leader God designed them to be while building a business of excellence that glorifies God. We help business leaders learn how to integrate Biblical principles into their personal lives and the operation of their business. The peer advisory group is another form of discipleship and growing in Christ-likeness. This process of discipleship may also lead to evangelism, using the business leader's own sphere of influence to inculcate the culture and share their faith in Jesus Christ as Lord and Savior. CBMC Peer Advisory Groups provides an opportunity for business leaders to meet in a comfortable, confidential setting with other leaders of similar business responsibilities to present concerns and problems, and receive Godly counsel. The members will meet faithfully to help each other apply Biblical principles to everyday life and to the operation of their business.

Proverbs 11:12-14 "He who is devoid of wisdom despises his neighbor, but a man of understanding holds his peace. A talebearer reveals secrets. But he who is of a faithful spirit conceals a matter. Where there is no counsel, the people fall; but in the multitude of counselors there is safety."
